For over one hundred years, The Champlain Society has echoed the voices of some of Canada’s most eloquent historical figures. Through its books, Digital Collection, podcasts and blog the Society makes the adventures, explorations, discoveries, and opinions that have shaped Canada available to all who have an interest in its past. The Champlain Society is also scholarly; its books have been the object of meticulous treatment by specialists whose role has been to highlight the significance of the eyewitness accounts and to inform readers of the context in which these documents were drafted.

**Complete Online Archive**
The Champlain Society’s online collection provides members with access to over 118 volumes and 770 chapters of primary historical documents as well as the added ability to search, download, save, and print any of the volumes. This archive of Canadian history is fully searchable and includes works written by some of Canada’s most influential figures. With work dating back to 1905, The Champlain Society archive is an incredible resource for anyone interested in Canada’s history.

The Journal of Canadian Studies/Revue d’études canadiennes was the first Canadian Studies journal in the country. The journal is deeply committed to interdisciplinary perspectives, bilingual presentation of research, and the scholarly study of Canada. JCS/RÉC aims to publish the best scholarship about Canadian history, culture, and society, whether the researcher is junior or senior, living in Canada or abroad. The journal has championed and advanced the emergence and legitimacy of interdisciplinary research in Canada.

Journal of Comparative Family Studies
utpjournals.press/loi/jcfs

The *Journal of Comparative Family Studies* was established in 1970 to publish high quality articles based on research in comparative and cross cultural family studies. The journal promotes a better understanding of both intra- and inter-ethnic family interaction that is essential for all multicultural societies. It draws articles from social science researchers around the world and contains valuable material for sociologists, anthropologists, family counsellors and social psychologists.

**Annual Letters in Canada Issue**

“Letters in Canada” is an annual review of creative writing and scholarly work in the humanities in Canada, published by the *UTQ* since 1934. We review poetry, drama, translation, emergent and established fiction, and critical studies in the humanities published in Canada or by Canadian presses. In the first five categories, omnibus reviews are written by an academic specializing in the field, while scholarly works are reviewed individually.
